RESOLUTION No. 5339

Revised Follow-up to Audit on Administrative Compensation

RECITALS

- A. On July 28, 2015 the Board of Education passed Resolution No. 5126, calling for an audit of administrative compensation to determine whether PPS has adequate processes and procedures in place to guide the Superintendent in determining compensation for all employees and to review whether the processes and procedures are being followed.
- B. As part of the original resolution, the Superintendent was "to freeze any further 'market adjustments' until the Board has had a chance to review the information and an independent auditor's analysis is completed and the Board has set parameters for any future increases."
- C. Talbot, Korvola and Warwick completed two phases of this compensation audit and presented them to the Audit Committee in February 2016 and July 2016.
- D. At its meeting on August 4, 2016, the Board of Education outlined the following exceptions where the Superintendent can adjust non-represented employee salaries:
 - a. To counter an offer for an employee who is being recruited by another organization
 - b. To correct incorrect salary placements at time of hire
 - c. To address promotional opportunities that align with market
 - To equalize salaries of existing employees with placement of new employees' salaries in the same classification based on market

RESOLUTION

- 1. Until the compensation philosophy and new salary schedule are adopted by the Board of Education, the Superintendent may authorize, in positions requiring technical or financial skills or required knowledge, salaries outside of the current salary schedule in order to make offers aligned with market to recruit the best employees to the District.
- 2. All other salary adjustments and placements beyond the salary range of the classification will require Board approval.
