BACKGROUND

The 2019 Oregon Legislature made a number of revisions to statutes related to education. They became effective January 1, 2020. The District has already implemented the changes but hadn't revised the policies to align with the law. The General Counsel's office has reviewed the bills amending current statutes and incorporated or amended the District's policies and administrative directives to comply with these statutory requirements.

Requirements to include this language, we incorporated additional statutory requirements that the District has had in place but had not been reflected in the policy.

FISCAL IMPACT

The changes will have no new fiscal impact. Only the Nutrition policy has fiscal consequences, however Nutrition Services had already put into practice the changes required under ORS 327.537 to provide students a reimbursable meal upon request beginning in 2018.

COMMUNITY ENGAGEMENT (IF APPLICABLE)

Because these changes are driven by legislative directives, there was limited stakeholder engagement. This office did consult with various internal stakeholders to ensure that the policy and District practice align with state law.

TIMELINE FOR IMPLEMENTATION / EVALUATION

The statutory changes to the Nutrition policy began in 2018 but were further amended in 2019. The executive session language became effective January 1, 2020. The Diploma policy changes arose out of Board of Education revisions made in March and May of 2019.

As noted earlier, Nutrition Services, ELL and OSP had already incorporated the revisions into practice and the policy reflects current practice. We intend to send a communication to District staff through Admin Connects and PPS connections outlining all of the policy and administrative directive changes.
