

What is CSS feeder high school w/th new boundary changes?	CSS students attend their neighborhood high schools. The high school for Bridger neighborhood remains Franklin.
What are the options for 2022 neighborhood graduating 5th graders to go to a MS instead of a K8?	Families who would like to go to a comprehensive middle school should complete a petition transfer at <a href="https://ppsnew.schoolmint.net">https://ppsnew.schoolmint.net</a> .Space is limited and petitions may not be approved.
Is having the SDLI strand stay at Atkinson equitable for the Native Spanish speakers?	Single strand DLI programs are not ideal, but the Atkinson program does follow the preferred 2-way model as they receive enough native Spanish speaking applicants to fill 50% of slots.
How does switching DLI for Creative Science help the neighborhood strand?	Neighborhood students will be part of a large program, with the opportunity to have different classmates each year, and teachers who have grade level peers.
Why is funding so poor w/the title funds for low income schools? Why is that money not Allocated for our school?	Title I funds are allocated based on Federal and State guidelines. Funds are allocated to a whole school, and not to sub-portions, who qualify for free meals. There are not enough students enrolled in Bridger as a whole to meet the minimum threshold to receive Title I resources.
If we live south of Division, and are currently in DLI, will we have the option to attend the Atkinson DLI program? Or just the neighborhood strands?	Families of students in Bridger DLI who live in the area between Division and Woodward can request transfer into either Atkinson English or DLI strands at <a href="https://ppsnew.schoolmint.net">https://ppsnew.schoolmint.net</a> . The outcome will be based upon space available.

What is the size ( sq ft) of Bridger as compared to other K-5, and for applicants

	Science for future years. If your student attends a different school or program you will need to apply to transfer in to Bridger/Creative Science.
Is it possible to opt-out from Bridger and pick for ourselves what other school (Atkinson, Harrison Park) our child goes to ? Or are they going to be forced to go to a certain school?	Bridger neighborhood students will be assured transfer to Clark K-5 or Harrison Park MS. Requests to other schools may be approved or denied, based on space availability.
Will the transportation model get like Richmond?	A bus route will be added from Bridger neighborhood to Lent for Spanish DLI.
Can native DLI Spanish speakers be given priority to petition to Atkinson because the distance to Lent is too far?	Native Spanish speakers generally have priority for transfer into DLI programs, but approval is based on space availability.
