

Purchasing & Contracting Delegation of Authority

To implement District policy 8.50.100-P and the adopted Portland Public Schools Public Contracting Rules (PPS-45-0200), the District will follow these procedures for purchasing and contracting delegated authority. In the event of any inconsistency between the provisions of this Administrative Directive and any provisions of the PPS Public Contracting Rules, the PPS Public Contracting Rules shall govern and control.

- I. Purchasing and contracting business processes are designed to be legally compliant while supporting efficient and effective operation of District schools and departments.
- II. The District's Purchasing & Contracting department provides acquisition, procurement, purchasing, and contracting procedures, instructions, and recommendations to District schools and departments.
- III. "District Contract" means all contracts entered into by the District, including Public Contracts subject to the Public Contracting Code and the PPS Public Contracting Rules (Divisions 46, 47, 48, and 49), and all other contracts or agr
