

This chart shows how much credit students receive for a passing AP score at Oregon State, University of Oregon, Portland Community College and Portland State University.

For example, a student who passes AP Spanish with a 3 or higher will receive credit for THREE college classes, saving up to \$3,100 and saving time spent in college. A student who passes AP English or AP Art will receive credit for one class and save up to \$1,200.

Nearly all of these classes count towards general education requirements and will help the student graduate faster! *Please note that universities update their credit policies every year. Please check the university's website for the most up-to-date policy.*

AP classes are open to any student who is hard-working and ready for a challenge.
