

Personal Electronic Device Use at RGMS 2019-20 School Year Policies and FAQs

<p>OLD POLICY Ready to Learn (off and away unless on and academic with permission) versus Personal Time (free use before school, during passing time and lunch)</p> <p>NEW POLICY Off, Away & Invisible All Day starting at 9:05 AM through 3:45 PM and SUN School</p>

Why the changes?

RGMS is joining other PPS middle schools to decrease device use due to cyberbullying, sexting, social media, addiction, distraction and other negative aspects of these devices. Students are expected to put devices away as they would any other personal belongings at the 9:05 AM bell. The bottom line, they must not be used after 9:05 AM.
