

targeted, tiered interventions with student. i.e. Check-in/Check-out, participation in counseling groups, parent conferences, referrals for mental health evaluation

If student is on an IEP School Team reviews IEP to determine applicability of referral to SSC.

referral is appropriate.

School IEP Team decides how to carry out IEP & how student will access the general curriculum, such as:

- Return to school for PM classes
- Arrange for home instruction
- Transportation, if applicable

Administrator meets with Parent-Guardian and student to discuss non-disciplinary option.

Parent/Guardian reviews the brochure,

Collect student records and complete *SSC referral form* and scans it to SSC staff.

SSC Counselor calls family for intake meeting and prepares student to begin the program.
