

A Day in the Life Sequence

How do you arrive at school each day?

What are the sequence of activities you will go through on your way to your first class?

Where would you choose to have lunch? How could that space best support you?

How would you get to

> second class

> third class

> fourth class

Where would your club meet?

You have practice at the Track site after school where do you change and put your things?

You are in a play in the evening. How do you arrive and get ready? What is your family's experience attending the event?

The next night, you are in a basketball game. How do you arrive and get ready? What is your family's experience attending the event?
