

Leodis V. McDaniel Modernization

Modernization Highlights

Cafeteria / Commons and Crossroads Atrium

The new cafeteria/commons and crossroads atrium will provide a central gathering space for students and faculty. The new atrium will also feature a new food court and a new seating area.

Science Wing

The new science wing will provide state-of-the-art laboratory space and research facilities for the science department.

Performing Arts

The new performing arts building will provide a state-of-the-art theater and rehearsal space for the performing arts department.

Community Resources

The new community resources building will provide a new library and computer center for the community.

Athletics Facilities

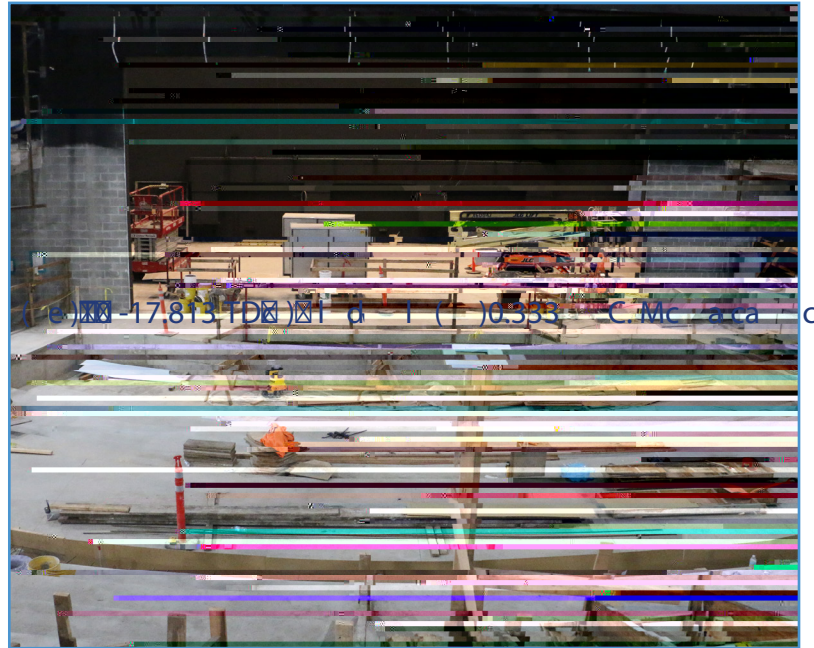

The new athletics facilities will include a new 1,700-seat arena, a new gymnasium, and a new softball field. The updated field area includes a new softball field.

C

Construction Update

Construction is well advanced. The
 interior of the building is complete.
 The exterior of the building is also
 complete. The project is on schedule.
 For more information, contact the
 project manager at (833) 123-4567.
