Sara Tetreault

Lutvija Becic, Char Parr

Marty Perez

Brenda Fox, Peggy Tims

Fenced area near kinder hallway needs to have a fence and gate either moved or added. This space is not safe. Lutvija is going to do a work order for this.

Baseball/softball field and equipment area is still a concern for students climbing on, etc.

Signs on field about dogs, people need to be added by Parks and Rec. Risk management is working on that.

Slide on playground is being replaced but part had to be ordered.

Fire marshal report needs to be addressed. New maps for each classroom with primary and secondary exit routes need to be added to each map.

Brenda to send an email about fire marshal recommendations. This includes wheelchairs. Music room door being propped open is a concern.
